Screen-free play

Game rules

The parent taps the word in the app, the child plays with the printed cards. · kawi.lu

First, the app

Scan this code to install Kawi. Then open “Play without a screen” and tap a word: your child points to the card.

kawi.lu

1 Show me

From age 3

Three cards on the table. You play a word, your child points to the right card. Then four cards, then five.

kawi.lu

2 The mystery bag

From age 3

The cards in a cloth bag. Your child draws one, you listen to the word together, and they repeat it if they want to.

kawi.lu

3 Memory

From age 4

Print the same theme twice, cards face down. Each time a card is turned over, you listen to the word.

kawi.lu

4 Kim's game

From age 4

Four cards, your child closes their eyes, you take one away. Which one is missing? They find it by listening to the words.

kawi.lu

5 Card hunt

From age 3

Hide five cards around the room. You play a word, your child goes to find the card.

kawi.lu

6 The shop

From age 4

With the fruit and food cards, your child “buys” whatever you ask for in the app.

kawi.lu

7 Be the animal

From age 3

With the animals: you listen to the word, your child acts out the animal, you guess.

kawi.lu

8 Bingo

From age 5

Three cards each. You play a word: whoever has that card puts it in the middle. The first to place all their cards wins.
